Dear Sir or Madam,

To stop domestic violence against women is the ambitious objective of a campaign which was officially launched in October 2004 by the Turkish newspaper “Hürriyet”. The campaign is run in both the Turkish and the German edition of Hürriyet, the largest newspaper for the Turkish speaking community in Europe.

In Brussels, Hürriyet will present the campaign and share with you experiences from Germany and Turkey. Speakers from the European Parliament, the European Commission, and the Council of the European Union will discuss European approaches on the fight against domestic violence.

We would like to invite you to the presentation of the campaign and look forward to your coming.

Best regards,

Vuslat Doğan Sabancı,
CEO Hürriyet
